SERVICES

01 - Businesses Valuation Services

Evaluating economic establishments, and providing financial and administrative advice. We offer a variety of services to government Authorities, as well as companies of all types and sizes, where our financial advisors work to carry out the studies required to evaluate the process of work of economic establishments in several levels, analysing the financial organizational structure, studying the financial procedures, specifying Job Descriptions required in the financial department, determining company's current financial position, Building estimated budgets, evaluating the economic feasibility of projects and investments, proposing studies and advice to solve problems facing establishments based on best Practice and methods, using our intensive experience on these fields taking into consideration all related international standards, in addition to the possibility of acting as a financial advisor for our clients.

02- Accounting & Bookkeeping Services

How much more profitable could your business be if you had the time to focus on the actual business instead of handling a range of financial administrative tasks? Palmyra offers you options for better management of your accounting, bookkeeping and internal auditing functions through efficiency gains and robust accounting and bookkeeping, Timely, cost effective, scalable solutions under international accounting standards, which make your accounting acceptable by international auditing and easier to prepare the financial statements.

SERVICES

03- Taxation Procedures Follow-up ,Tax Consultation ,Corporate TAX

Palmyra is a Certified Tax Agency and it has Certified Tax Agents by FTA (Federal Tax Authority) in UAE, and one of the leading Tax consultants in Dubai since 2017 We are specializing in the delivery of world-class professional services in financial management, VAT registration, VAT Implementation, Tax auditing, Tax consulting and compliance-related services. Our team of qualified TAX consultants have the expertise and dedication to ensure you receive the right advice to help you comply with tax laws in UAE, hence, to avoid receiving any tax penalties. We will be ready to manage your accounting system and lead it to work under the new tax laws related to corporate tax and to avoid any violations that result fines imposed by the tax authority.

04- Cost Control & Risk Management Services

Financial risk management is the practice of protecting economic value in a firm by using financial instruments to manage exposure to financial risk - principally operational risk, credit risk and market risk, with more specific variants. As for risk management more generally, We also study, describe , analyze, and monitor the facility's costs using modern scientific method, and providing the guidance on how to rationalize them .

05- Tax Reclaim Services

Palmyra's Tax Reclaim team is made up of professional Tax Agents and Advisors with years of experience in claiming back VAT Tax . Where we have recovered many large amounts of money for our customers. Our mission is to help you reclaim the maximum VAT you are entitled to. Our main goal is to provide the absolute best services.

SERVICES
